

Cestria Community Housing Community Benefits Fund

Funding of up to £200 available for individuals

Grants of up to £200 currently available for individuals located within the former Chester-le-Street district.

Who can apply?

- Individuals who live within the former Chester-le-Street district

What type of projects will the fund support?

- Domestic and specialist equipment and the provision of training and therapy for individuals with disabilities
- Essential household equipment or furniture like beds, bedding and carpets – for families who are experiencing extreme hardship.
- Competition and transport costs for talented individuals who are representing their field of sport, the arts at a regional, national or international level
- National and international work experience trips (these must be directly related to the subject being studied).
